Subject: RE: PCA Case No. 2018-54: Tennant Energy, LLC v. Government of Canada - Motion for  
schedule change

Dear Members of the Tribunal,

Canada would like to echo Mr. Appleton's sentiments, and extend our best wishes for you and your families' health in these unprecedented circumstances.

Canada consents to the proposed dates in para. 26 of the Claimant's Motion. We would also note with respect to para. 26 (b), that following the filing of the Claimant's Memorial, Canada would file both its Objection to Jurisdiction and Request for Bifurcation, should Canada still intend to pursue such a request, in accordance with the Tribunal's direction in Procedural Order No. 4.

Regards,
