

**Standard Chartered Bank v. United Republic of Tanzania**  
**(ICSID Case No. ARB/10/12)**  
**Procedural Order No. 9**

The Tribunal has carefully considered the Parties' submissions of 30 November 2011 and 2 December 2011 (Respondent) and 2 December 2011 (Claimant) concerning Respondent's objection to Procedural Order No. 8 and renewed application to postpone the December hearings.

1. Hearings will be held in London as originally scheduled from 13-15 December 2011.
2. The Tribunal notes footnote 4 of Respondent's letter of 2 December 2011, reserving "until the funding issues is resolved" Respondent's right to request relief in connection with the timetable in these proceedings. To the extent possible, however, Respondent is urged to state with specificity, not later than Monday 5 December 2011, any requests for procedural adjustments triggered by submission of Dr. Ogowewo's report, including but not limited to (i) modification of hours allocated to each side at the hearings, (ii) greater leeway in examining Professor Luoga, and (iii) supplemental submissions on Tanzanian law. Not later than Tuesday 6 December 2011 Claimant shall comment on any such requests for procedural adjustments.

For the Arbitral Tribunal,
